BRAND

Chen Design Associates created a brand to match Filoli's historic past and inclusive, modern sensibility. The new stemkey logo symbolizes growth, with buds and leaves coming forth from the main "F" stem. It communicates the idea that something new is emerging from history, giving access to all that Filoli offers. The new brand highlights our goal to ensure Filoli is accessible to all visitors hoping to find inspiration in every season.

Diversity & Inclusivity

DEAI STATEMENT

Filoli is dedicated to nurturing and growing diversity, equity, accessibility, and inclusion in all that we do. Our core mission is to connect our rich history with a vibrant future through beauty, nature, and shared stories. We strive to create a sanctuary for healing and building connections for all people. We are open to all and work tirelessly and collaboratively to create a place that welcomes and respects everyone. We strive to live our credo authentically to fight for a just cause, love your fellow man, live a good life.

PARTNERSHIPS

- On Indigenous Peoples' Day, Filoli celebrated the creativity of the Bay Area's contemporary Indigenous cultures. Community members shared their poetry, artwork, history, and food.

EVENTS

- Visitors enjoyed a Rainbow Walk on the Estate Trail, a floral takeover by Nigella, and a soundscape on the Garden House Lawn during Filoli's annual Pride celebration.
- Celebrations at Filoli spotlight cultural holidays from our diverse community.

LIVING WAGE

- Filoli's Board of Directors approved a new compensation structure based on MIT's Living Wage calculator, raising the minimum hourly salary from \$19 to \$28.

USER-GENERATED CONTENT

- Filoli engaged visitors to share their experiences on social media and help populate our website and materials with first-hand Filoli images and stories.

YOUTH PROGRAMS

- Filoli launched a preschool program with the Chinatown Community Children's Center and Peninsula Family Service introducing students to the natural lands and environmental education.

EXHIBITS

- *Stories of Resilience* featured stories of the individuals and identity groups who overcame injustices or were historically excluded from performing at or working at Filoli.

Sustainability

MASTER PLAN

To remain a vibrant sanctuary for the next hundred years, Filoli is creating a Master Plan to strategize for growth, improve infrastructure, expand narratives, and integrate climate resilience and sustainability into all practices. Professional partners include Nelson Byrd Woltz and Architectural Resources Group. Filoli plans to finalize the Master Plan in fall 2022.

CLIMATE RESILIENCE PRACTICES

Filoli fostered its own climate resilience by adapting land management, plant selection, and irrigation practices to meet the moment. Brush-clearing projects protect Filoli and its neighbors from wildfires. In the Garden, we revamped Filoli's historic plant palette to reduce turf and increase drought-tolerant plants. A new drip irrigation system and updated spray nozzles reduce water use by 30 percent and decrease plant disease.

FRUITFUL GARDEN

Filoli's *Fruitful Garden* exhibit highlighted the gifts of edible, medicinal, and pollinator plants. "Edible Garden" showcased the relationship between beauty and utility, with sweet potatoes growing alongside dahlias. All produce went to local nonprofit Village Harvest. Pollinator-friendly plants in the summer garden highlighted the important relationship between plants and pollinators. Filoli's "Medicinal Garden" covered ancient and modern uses of plants for healing.

Preservation Projects

NEW ACQUISITIONS

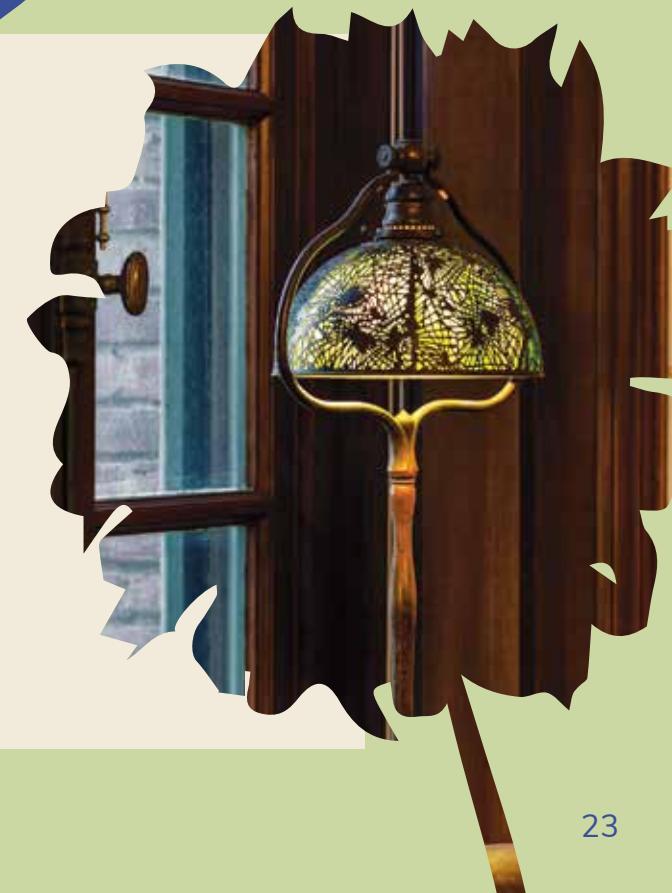

FLOOR REFINISHING

We used the House closure during the COVID-19 pandemic to complete the projects we couldn't do while open to the public. In March, we refinished key thoroughfares of the House to match the original flooring color.

GENTLEMEN'S LOUNGE

The Gentlemen's Lounge project transformed the trophy room into the masculine games room of the Bourn Era. Donations like the pool table and card table return the room to the period. The donation of a Tiffany lamp means even the lighting is similar to what Mr. Bourn experienced.

Events

HOLIDAYS AT FILOLI

Holidays at Filoli welcomed a record-breaking 76,000 visitors. Installations included a Yew Tree Rainbow and a river of lights.

GALA IN THE GARDEN

Supporters enjoyed the Filoli Garden at the 2021 annual Gala and raised funds for the Ballroom Terrace project.

SUMMER NIGHTS

Visitors strolled the Garden and watched the sun set during Filoli's Summer Nights.

ORCHARD DAYS

We opened the Gentleman's Orchard during the fall so Filoli visitors could explore the rows of apple trees and grapevines while learning about food production, listening to live music, and meeting with local artists.

Filoli Donors

Filoli's community of supporters keeps Filoli open and accessible for sanctuary and inspiration. 2021 was a record year for donations, listed below. Please contact development@filoli.org with any questions.

PRESCHOOL PROGRAM

We created a new preschool program with training by the International Coalition of Sites of Conscience and grant funding from the Institute of Museum and Library Services. We first connected with Peninsula Family Service, and when a generous donor matched the original grant which doubled program capacity, new board member Sydney Leung introduced us to the Chinatown Community Children's Center.

Repaving the **Ballroom Terrace** makes it more accessible and opens it for events. Reopening the **Vegetable Garden** creates a hands-on learning space for visitors. To match its original state, the **Dining Room** needs renovation, with updates including silk restoration, art acquisition, and infrastructure modernization.
