### Description:

The Filoli Botanical Art Certificate Program offers a unique, in-depth study of botanical art through challenging, integrated, and comprehensive courses. The curriculum includes the systematic study of artistic skills and concepts, basic botany, and botanical art history. A certificate will be presented upon successful completion of coursework (180 classroom hours plus homework) and presentation of a portfolio and final project. This program is for the serious student who wishes to develop knowledge and skills in botanical art.

To enroll in the Certificate Program, please complete the Enrollment Form online. Credit hours for each class are indicated under the class description.

Certificate Program enrollment includes a student handbook and course material binder, classroom materials and handouts, and instructor consultation time (up to four thirty-minute conferences annually).

### **Education Program Policy:**

Classrooms open 30 minutes before class starts. Please observe this as it allows the instructor to prepare for class. Students must wear an identifying name tag provided by Filoli. Name tags also give students access to the House, Garden, Café and Gift Shop during normal hours. Many students require quiet to work at their best, please be sensitive and courteous to your classmates, keeping conversations to a minimum. Registration fees that are less than \$100 are non-refundable and non-exchangeable. Registration fees that are \$100 or more are refundable, minus a \$25 processing fee, up to 30 days before the program start date.
