Description:

The Filoli Horticulture Certificate, *A Year in the Garden*, is an informative series for the home gardener who wants an in–depth understanding of plants and gardening. Courses will cover a broad range of topics including plant growth and plant uses, garden design and seasonal maintenance. This series is suitable for the novice gardener or those with some prior knowledge or experience. A Certificate of Completion will be given to those completing all fifteen courses. Classes take place in the classroom and in the Garden. Credit hours for each class are indicated under the class description.

Certificate Program enrollment includes a student handbook and course material binder, classroom materials and handouts, and instructor consultation time (up to four thirty–minute conferences annually).

Education Program Policy:

Classrooms open 30 minutes before class starts. Please observe this as it allows the instructor to prepare for class. Students must wear an identifying name tag provided by Filoli. Name tags also give students access to the House, Garden, Café and Gift Shop during normal hours. Many students require quiet to work at their best, please be sensitive and courteous to your classmates, keeping conversations to a minimum. Registration fees that are less than \$100 are non-refundable and non-exchangeable. Registration fees that are \$100 or more are refundable, minus a \$25 processing fee, up to 30 days before the program start date.
